

What we need from our **CLIENTS** is:

# ROBERT LANTON

What we need from our **SYSTEMS** is:

It's just that hugs and kisses cannot take away what I feel or saw today...

I just cannot move away from my past.

start with small, demonstrable approaches and use **NON-TRADITIONAL CONTACTS**

It's all about the **DATA TRIGGERS** that allows us to have a **HUMAN INTERVENTION**

at what **POINTS** in their lives should these **VETERANS** have been "ticked" by the system?
